ADVENTURE TAPE™

Step 1.
Feed lanyard through
the core of the tape roll.

Step 2.
Feed the loop end
through a D-Ring or
Molle loop on your
pack where you want to
hang the tape.

Step 3.
Slip the end of the tape
roll into the loop end
and feed it all the way
over it.

Step 4
Pull all the way through
and you're done! Just
reverse the process to
remove or refill.
